

PAC/TAMU SCIENCE SCHOLARS

*A Palo Alto College/Texas A&M University
partnership funded by the National Science
Foundation Scholarships in Science, Technology,
Engineering and Mathematics (S-STEM) Program*

Be curious.

**ABOUT SCIENTIFIC KNOWLEDGE
AND DISCOVERY.**

*Unbridled opportunity and uncharted territory.
A four-year degree.*

*The PAC/TAMU Science Scholars Program provides
academic support and scholarships – up to \$10,000 per
year – for qualified undergraduate science majors to study
at Palo Alto College and, later, Texas A&M University.*

Let us help you make a career out of curiosity.
